\$ 50,000.00 USD

Puerto Rico - San Juan

65th Infantry

Listing ID: 00002245298

This amazing property in a booming part of Santurce is priced to move and has incredible potential for a family and/or an investor!!! It is currently a 4 bedroom and 3 full bathroom house with a back patio. The two large living spaces connected to an open kitchen concept make a great gathering area for family get-togethers or possibly 2 living spaces if divided into multiple units. One bathroom has been beautifully remodeled and with a tiny bit of love this could be the perfect home OR for the right investor, it can be divided into a multi-family rental property. This location is within walking distance to the up and coming Calle Cerra and the other booming neighborhoods in Santurce. Provides easy access to the highway for a quick drive to Old San Juan, Condado and Plaza Las Americas!
