Cayman Islands - West Bay

W Bay Bch North

Listing ID: 00003002242

Ground floor, corner unit in excellent location right in the heart of the Seven Mile Beach corridor. Only unit on the market. At just under 1,000 sq. ft., this 1-bedroom condo is quite large and there aren't a lot of 1-bedrooms on the market. Located right on the canal with a dock in front. Well-maintained property but interior does need some love. Upgraded bathroom, good light in master bedroom, sunken living room, good ceiling heights and the screened-in patio has been enclosed to create a small den. Building is surrounded by lush, mature landscaping and most of the owners in the complex have been there a long time. Won't last long. Garbage included in maintenance fee.
