Mount Pleasant
Listing ID: 00010017376

Cute cottage style property with lovely large yard and porch with views to the hills.

Workshop in back needs roof but could be very useful.

Soil is super fertile as the bananas and passion fruit are the biggest I have ever seen! No cistern, water stored in water buffalo's (4) fed from roof.

This wood framed house needs some sprucing up but very private yet convenient location and plenty of room to expand. Green belt behind the property gives added privacy.
