US Virgin Islands - St. Croix

Seven Hills

Listing ID: 00010017792

Gorgeous views! This moderately sloping lot in the coveted Seven Hills neighborhood is the perfect lot to build your dream home. This 0.67 acre lot has dual road access from the top and the bottom of the lot, making for an easy build and driveway. You have the possibility of views of downtown Christiansted, Green Cay Island and on a clear day, our sister islands and the BVIs. Come be a part of a diverse community and fall in love with St. Croix. Enjoy sunsets from your porch and watch Christiansted come alive. The lot is just minutes from sandy beaches, downtown Christiansted, sea adventures and incredible food. There was a driveway cut into the property years ago and it may still be evident, but it may need to be manicured and refreshed, but what a great start!
