\$ 50,000.00 USD

US Virgin Islands - St. Croix
Catharinas Hope
Listing ID: 00010017826

This is a nice area and the lot is very buildable. It's currently hard to access the lot because the road is overgrown. Photos have been taken from all areas around the lot to give you an idea of general location and topography. There might be a sea view from a second story.
