US Virgin Islands - St. Croix
Mount Welcome Estate
Listing ID: 00010017838

Incredible views and amazing hues of blue from this mountainside lot in Mt Welcome! The hard work has been done! Pad has been located and was once cleared, build to suit, or use/modify the owner's drawings - owner's plans for a 1450 2/2 home will convey as well. Just need to pull a permit! Lot looks steep but there's a nice spot for a home! See maps and house plans in docs.
