Grenada - Saint George

Lance aux Epines

Listing ID: 00019034088

This meticulously designed and decorated home encloses a total built area of approximately 3,000 sq ft. This home features: three (3) bedrooms, including a master bedroom suite of over 300 sq ft with walk in closet and well finished bathroom. On the main floor is also a comfy living room, well laid out and equipped kitchen, dining area, laundry, powder room, storeroom, spacious entertainment deck and pool. Wide tiled finished internal stair case takes the user to the upper floor. There are two well appointed bedrooms each with access to a single bathroom between them. These bedrooms open to a well lit entertainment lounge with huge arched window and study, nicely designed rails overlooking the living areas below. All this on 9,640 sq ft well defined and manicured grounds.
