Click here to take a virtual tour. Located north of Kralendijk at the foot of Bonaire's hills and just steps away from the most pristine dive sites, you'll find Caribbean Club Bonaire. This friendly 39-unit resort combines affordable accommodations with full resort facilities, a restaurant, bar, two swimming pools, an on-premises dive shop/activity center, along with front office and security services. This 1 bed / 1 bath villa has breathtaking unobstructed ocean views and amazing sunsets from your own spacious private balcony. The living room and bedroom have access to the large porch, overlooking the turquoise blue Caribbean Sea and Klein Bonaire. This villa is named the "Honeymoon suite" because it has a separate large room with Jacuzzi and doors opening up to the porch. This room can be converted into a 2nd bedroom with en-suite bathroom. Enjoy total privacy while dining right outside your room at the large table or have a relaxing moment while dreaming away on your sun lounges.
