The living room with its high ceilings is very spacious and extends to the covered rear porch, which has been converted into a living porch / living room. The house has wooden shutter windows with fixed glass and the side porch can be reached through a wooden double door at the front of the house. There are three bedrooms in the house, the master bedroom on the left is located together with the first bathroom. The second bedroom is adjacent to the bathroom. The third bedroom is on the right with a bathroom with shower, toilet and sink. All bathrooms have been recently renovated. One bedroom is ideally suited as a private office. Three bedrooms have fitted wardrobes and air conditioning. The kitchen has a Corian counter top with a stainless steel sink and has more than enough storage space. The kitchen has recently been renovated, also the tiles in original style and has a 5-burner gas hob and storage cupboards. The kitchen is through open doors in direct connection with the covered porch which increases the cosiness during cooking. In the garden you will find various types of tropical plants and trees. The plot meas
