This Penthouse is part of the C-building on the prestigious Le Bleu apartment complex. The complex consists of 7 small-scale buildings, each with 4 apartments. The chosen construction method makes the apartments easy to cool and to keep cool. The complex has its own swimming pool and there is sufficient parking space for residents. You reach the Penthouse itself via the private entrance on the outside of the building. Upon entering the spacious layout of the Penthouse immediately stands out. The spacious covered balcony offers plenty of privacy and is an integral part of the living room with open kitchen. The spatial effect is emphasized by the high ceilings that ensure that the Penthouse feels fresh and cool everywhere. The master bedroom has its own bathroom with a double sink, shower and toilet. In addition, the master bedroom has a spacious walk-in closet. The second bedroom has a balcony that overlooks the pool and a little further away you see the "three sisters" mountains. The guest bathroom is equipped with a single sink, shower and toilet. There is also a separate place for washing machine and dryer. The Pen
