Julianadorp

Listing ID: 00087099053

The villa was originally one from the Shell era, with lots of light and spacious rooms inside, living space is approximately 260 m2. The house is surrounded by a tropical paradise with no less than 30 unique types of palm trees, a few outbuildings and a fantastic swimming pool. This property has been adapted everywhere to the wishes and requirements of the present time while maintaining the atmosphere and authenticity of the original home. Not only the layout is largely preserved, but also the windows and doors with decorative fencing and the bronze doorknobs on doors and cupboards are still present. The modern kitchen is equipped with built-in dishwasher, oven, microwave and a ceramic cooking top. A good size walk-in pantry. The kitchen also has air-conditioning and has nice views of the garden and pool. Next to the kitchen you will find a laundry room and storage room, which can be converted to a studio/maid's room. The dining/living room has fresh doors that open up to the front covered porch and has a nice view of the tropical garden. Via a hallway that has multiple built-in storage closets you will
