The paved path in the spacious front yard leads you to the front door, where you enter the house and find the open space with a sitting area and large kitchen. The kitchen is equipped with a 5-burner gas stove, built-in oven, American fridge and microwave. The large living room, and the whole house, is completely surrounded by glass shutter windows, which provide a lot of light and a pleasant breeze. From the kitchen and from the hall, you have a door through which you can enter the covered porch and enjoy the open view and the large garden. The garden has not yet been laid out so you can decorate it yourself to your heart's content. On the porch, you have a large laundry room at your disposal, as well as a door leading to the covered garage where two cars can be parked. Back in the house, you will find a hall opposite the kitchen leading to the bedrooms and bathrooms. The master bedroom is located at the front of the house and is equipped with an ensuite bathroom and toilet. Next to this is the second bedroom and at the rear of the house the third bedroom, which has an extra bathroom with toilet. The house has 110v
