This Caribbean Style villa, fittingly named 'Villa Seashell', has a spacious and high quality interior living space with an open floor plan. It is a perfect home for family living but also very suitable for vacation rentals. A nice glass front door leads to the main living area which comprises a living room, dining room, and a fully equipped gourmet kitchen. Kitchen appliances include a gas stove, American size oven and a double door refrigerator. The kitchen windows give panoramic views of the Caribbean Sea, which makes cooking all the more enjoyable. The living room has glass sliding doors which can be opened up completely, revealing access to the large covered patio. The patio has a huge dining and seating area where you can enjoy your meals with a beautiful view. The villa has many nice architectural details such as the two bedrooms on the first floor, each located in a small tower room with high, vaulted ceilings and shutter windows. These charming bedrooms each have a walk-in closet, air conditioning and a full en-suite bathroom. The two bedrooms on the second floor both feature a king size be
