On one of the most beautiful sections of Blue Bay Golf and Beach Resort you will find this villa with a distinctive design from the famous architect Henk Bolivar. The villa is characterized by its Caribbean design style and consists of two floors with all amenities. The architect has deliberately opted for a clear layout; the villa breathes tranquility and elegance. The villa is situated at the Blue Bay Heights Section of Blue Bay Resort on a plot of over 1000 m2 at the fourth hole of the golf course. From the plot you can enjoy great views over the golf course, the Caribbean Sea and over Boca Sami, a nearby fishing village. The layout: When you enter the house your eye is automatically drawn to the beautiful view of the Caribbean Sea. The wide entrance leads you into the spacious living room which has large sliding doors which can be completely folded away into the walls. On the right side is a separate study / TV room and a corridor leading you to the master bedroom and two further bedrooms. The two bedrooms share a spacious bathroom. The large master bedroom has a large walk-in closet that is connected to a larg
