This parcellation plan, P-section, in Blue Bay Resort, Curacao has 24 lots with sizes from 663 square meters up to 789 square meters and 2 larger lots of which BP-74 (1.800 m2) is still for sale. Only a few lots are still for sale. The plan is located only a few steps from the beautiful private beach in this gated community in Curacao. Several restaurants and bars are within walking distance, as is the golf course, driving range and even two tennis courts.
