Saint Kitts and Nevis - Christ Church Nichola Town
Bourryau
Listing ID: 00101481004

This is a new listing with a promotional price for a short period, act now while the deal is still on! This area of the island has changed quite a lot in the last decade or so. What used to be considered land nobody wanted is now at the height of demand. Koi Resort will be opening soon, Imperial has already opened and this plot of land is virgin, unspoilt and ready for the taking! The lot is directly across from the salt pond and the Atlantic Ocean, has a gentle slope and unlike some other other plots around it, this plot has direct road access making building a breeze. Fill in the form below for more information or to book a viewing!
