Saint Kitts and Nevis - Saint George Basseterre
Basseterre
Listing ID: 00101481005

This quiet ground floor one bedroom is part of the St. Christopher Club, one of the first properties to be developed in Frigate Bay. It's perfectly positioned across the street from the Royal St. Kitts Golf Course right in the heart of Frigate Bay, close to all kinds of shopping, restaurants, two beaches with plenty of activities and night life. The building is positioned facing the Atlantic Ocean, allowing breeze from the back patio, through the condo and out the front patio, constantly keeping it nice and cool in the Caribbean weather. Large windows in the dining area and large patio doors in the living room and bedroom provide a wonderful amount of light during the day, especially during the occasional cloudy day. Both patios are completely covered, barred and with insect screens protecting them from the elements, providing cool comfort no matter what the weather. One can truly sleep with the sliding doors open in the ground floor condo and still feel entirely safe and secure at home. The St. Christopher Club also provides ample greenery for walking your pet or children playing. T
