This property is located at 1030m2 long-lease land and has a build-up size of 273m2. The home consists of 4 bedrooms and 2 bathrooms, brand new kitchen with open dining area, spacious living room, covered patio and way more! In our opinion it does worth more than we are selling it for, but that's something you have to come and see for yourself. The property is located on the main road from Oranjestad to San Nicholas on a busy roundabout which offers good business options, on
