[SEE THIS PROPERTY ON THE MAP](#)

Price is based on available units at this moment Harbour House Aruba is a new and innovative project that is located in the heart of down town Oranjestad. This lovely project is being developed by PGM Condo builders N.V. ,best known for their successful projects like Azure and Blue Residence. Harbour House Aruba is in the heart of the island. This lovely project will have a total of 7 floors with 96 amazing condo apartments. Which consist of a main ground floor for private parking parking. Being in the heart of the island you will have access to all sorts of activities, like walking distance Casinos, Shopping Malls, award winning Restaurants and of course walking distance from Aruba's popular white beaches. Harbour House Aruba condo's have full ocean view access and combining this with a reasonable price, makes this project an interesting investment for all kinds of budgets. Harbour House Aruba will have an on site parking lot for all its residents and guests as well as many shopping store choices and restaurants on the ground floor. The first floor you will find a luxurious state of the art lobby. A fit
