Grace House is a heavenly home nestled in the scenic area of Blue Mountain, Providenciales. Its a stylishly decorated 3 bedroom, 2 bathroom haven. The house provides an open concept living room, kitchen, and dining area, seperated by the master suite on the right and two well sized bedrooms on the left. Each room has a split unit air conditioning, however, the tradewinds from the south keep the home well ventilated and cool at night. Outside is a generous amount of living space including a pool and deck, screened-in porch with dining and seating; an outdoor dining and lounge area, and an upper deck for sunbathing. It goes without saying this house would be perfect for vacation rentals but its also ideal for island living. For more details or to view contact listing agent.
