Open and spacious with great ocean views. This is a 2 story home that behaves like a 1 story. All you need on one level but downstairs is already partially finished for a 3 bedroom apartment with large eat-in kitchen, living room and 2 baths. On the main level, you have 3 bedrooms plus 2 bathrooms. The master bedroom boasts an en-suite bath, vaulted ceilings and door to the covered porch. Love the kitchen with its dark stained cabinets; double under-mounted sinks in the solid surface counter top and ceramic tile back-splash. Two windows for flow-thru breezes while you prepare meals. This home features a gated entry, vaulted ceilings, ceramic flooring, lots of windows, high ceilings in the lower level and a good size yard for gardening. Fruit trees abound.
