Located on Mountain View Close just off Queens Dr. is this spacious family home. Built on a 7,500 sq. ft. sloping lot, this 4 bedroom home provides wide open valley and ocean views. On the upper level are 2 guest bedrooms plus the large master suite with its own private balcony. Attractively laid out, the lower level boasts an open floor plan that features a sunken living room, formal dining as well as a large eat-in kitchen and breakfast room. Loads of counter space and ample cupboards provides for comfortable meal preparations. Conveniently located off the kitchen is the separate utility room. This level also has one additional bedroom and bathroom and of course covered porches. Ceramic flooring throughout, vaulted ceilings, solar water heater and an open carport completes this great home
