Large, wild, and beautiful Stony Bay Point land is available for development! This rare land is nestled between gorgeous Josiah's and Lambert Bay beaches on the northeast side of Tortola. The land is accessed by a paved, private road that is gated. The property is the entire point of land between the 2 beaches of Lambert & Josiah's Bay beach. There is a 10-acre parcel that has magnificent rocky columns and many beautiful, large boulders. There is a large gentle-sloped part of this large parcel that would be ideal for a small boutique hotel development or a series of beautiful ocean-view villas. The other 2 parcels are each 1 acre and are located beside Josiah's Bay itself with great views of the beach. Surrounded by amazing boulders, the land is rare and dramatic.
