Bahamas - New Providence

Twynam Heights

Listing ID: 00209563029

location-location- location located on yamacraw hill road and situated among some of the most luxurious homes in the eastern district, this spacious lot is ideal for the individual to build their dream estate. imagine a home with all major rooms facing the ocean with ceiling to floor glass impact windows and doors, taking advantage of the beauty of the ocean and cool tropical island breeze. the topography is conducive to minimize building constraints however the elevation increases to the western end of the lot thus giving way to awesome views of the ocean and beyond. this unique opportunity to live at this prime location will not last long.
