PARADISE VILLA 2 BED TOWNHOUSE Here is a review from an AIRBNB VISITOR to WONDERFUL! If you're looking for the perfect place to stay during your Bahamas vacation and getting the most bang for your buck, look no further. This apartment is walking distance to everything you want to do on Paradise Island. We stayed for a week and walked everywhere. The neighborhood (basically the whole island) is safe and very well kept. There's a pool you are able to utilize as well which is basically never used by the other apartment tenants. 5 minute walk to cabbage beach which is gorgeous. Don't waste your time exploring for better beaches on the island, you won't find one. All restaurants from coffee shops to 5 Star dinners are 5-10 min walk. Tourist shops for clothing, trinkets, etc 5-10 min walk. Sold Unfurnished.
