Bahamas - Grand Bahama

West End

Listing ID: 00217563122

This very near beach front property is within walking distance from the famous well known Buccaneer Club, where once a famous restaurant brought all to its shore and its excellent/fabulous beach activities. Its suggested investment now focuses on a future Cottage Type Development under Eco Tourism branding. This is welcome a laid back tourism attraction. At present there is a major injection of capital into the Freeport and The West End Markets and conglomerates are accustomed to operating in a small Island environment hopefully the magic might return to the entire Island. This quiet property can evolve with the property design can become a number one destination again and before a home away from home from stress.
