Sauteurs

Listing ID: 90005100158

In a secluded unspoilt tropical woodland setting, within walking distance of several beaches. The Villa is designed and masterfully crafted by the latest construction and building codes but in a traditional ""Gingerbread style"". From every angle you enjoy the most spectacular views over the waters of the Atlantic and the Caribbean Seas with the backdrop of the islands of Carriacou, Isle de Rhonde, Les Tantes, Isle de Caille, London Bridge, Union Island and The Grenadines - out of this World! You are welcomed by magnificently styled ""Tropical Gardens"" which expand around the whole property - just pick your fruit of the day! The villa is entered from the Top floor and you step into a very spacious open design living / dining / kitchen area with breakfast counter. A spacious master bedroom suite with walk in closet and a second bedroom / bathroom and powder room is on the same level. All floors and the rafters of the cathedral ceilings are constructed of tropical ""Purple Heart hardwood´ - lasting Elegance! The living area is huge through the enormous fully covered wrap around verandah - with views you won´
