The entrance of this villa opens up to the hall way, which has beautiful wooden parquet flooring. The living room has high ceilings with skylights that ensure optimal ventilation and light. The parquet flooring is continued in the living room and all bedrooms on this floor. Behind the living room is the half open kitchen, equipped with built in appliances such as a dishwasher, oven, microwave oven and espresso machine. The shutter windows above the U-shaped counter top of the kitchen open horizontally so that it feels as if you are cooking outside when the windows are open. The kitchen has beautiful views of the huge terrace, pool and golf course. The kitchen, pantry and guest bathroom have a light tiled floor, which also extends to the porch and sun terrace. The pantry, which is also accessible through the back door, has connections for a washer and dryer. There is also an additional valve for connecting a refrigerator with ice maker. At the back of the villa are two covered terraces. One is accessible through double French doors from the living room. The other terrace is accessible through a Fren
